I just suggested our line, which would be 1 [REDACTED], access 20 [REDACTED]. Would that work?

Hi Melissa and Jason:

You asked what might be an available time on April 10<sup>th</sup> to discuss Cargill. With the WUS Proposal roll-out my calendar is rather out of control, but at present this time is free. I'm adding Russ to the cc since he's curious about Cargill (and will forward to him what you sent to me).

Thanks, looking forward to our conversation! With luck, nobody will plop another outreach in the time slot.
